## Colors

- Ask the students about names of other colors they would like to know in English.
- Introduce *adjective + noun* and combine Colors with Fruit/Food, Animals, Vehicles, and Kid Words (ex. green monkey, blue banana, etc.) This will help the 3<sup>rd</sup> year students understand how adjectives and nouns work together.

**Words(11+):** green, blue, purple, red, yellow, orange, brown, white, black, pink, gray, *and any other colors the students would like to know...*

**Phrases:**

- \*\* What's this? : \*\* (color)
- \*\* What do you like? : \*\* I like (color).
- \*\* Do you like (color)? : \*\* Yes / No
